Match Reports:

6B 1 v Hurstville Zagreb

Looks like the word is out and rival clubs are talking among themselves about the undefeated Lugarno FC U6B1 team, as Hurstville Zagreb pulled the pin late Friday afternoon and forfeited the game against us.

Our players were very disappointed, especially as they didn't even have a training run during the week due to field closures, but at least a few of the players had a run by helping fellow LFC teams from both the U6 & U7's.

7B 3 v Connells Point

Another week, another group hug.

Well done to Christian on earning MOTM alongside his teammates Darcy, Dylan and Max.

With both Ethan and George out sick, special thanks to Benji from the U6B1 for filling in.

Great game by the team.

Today we face the team coming 3rd on the table. Previous encounters with AA have been hard fought matches and this game was expected to be the same.

The middle of the park was very muddy so I told the team to spread the ball wide.

The match commenced evenly with end to end play. The middle of the park was heavily contested.

AA took the lead midway into the first half when their corner kick fell to an unmarked AA player in the middle of the goal mouth. Noah could do nothing to stop the goal. 0-1.

To our credit we did not drop our heads and we continued to pressure the AA players.

Adam provided Zack with a great pass. Zack's shot went just over the AA cross bar. Ray then provided a good ball to Ross whose shot was saved by the keeper.

We were soon on level terms when Adam provided a good pass to Harrison V who in turn passed the ball to Ross. Ross calmly put the ball into the AA goal with a well directed shot. 1-1.

We started to get the upper hand. Adam provided another pass to Harrison V who laid the ball off to Gab. Gab's shot was saved by the AA keeper.

Tim did well marking a very quick and skilful AA attacker.

Harrison C was having a great game at right half. He was providing some good passes to the team. One in particular contributed to our 2nd goal when he passed the ball to Harrison V. Harrison V went on a great solo run towards the AA goal. He was able to shrug off a number of defenders along the way and calmly shot the ball into the AA goal. 2-1 our way.

We continued to contest the ball well in the middle of the park for the remainder of the first half.

Not able to break our tight defence, AA had to resort to a long range shot to try to even the score. Noah was able to stop the shot but the referee believed the ball had crossed the line after a shout from an AA supporter demanding a goal. Noah said the ball did not cross the goal line.

The first half ended 2-2.

In the 2nd half we needed to continue to pressure the AA players and not give them any time on the ball. We needed to spread the ball wide.

The team did stick to the 2nd half game plan and played some good soccer. Harrison V had a good run at the at the AA goal. His shot went just wide of the mark.

Zack and Harrison V were then involved in a good passing exchange. Ross and Ray both had their shots saved by the AA keeper.

Nathan & Daniel C were tight at the back. Alex at sweeper cleaned up all of the AA through balls. He provided good distribution out from the back.

Shane was busy at right back. He outpaced his attacker continuously and provided some good passes out of defence.

Tim also played well in our defence. His speed allowed him to close down the AA attackers quickly.

Sean was having a good game at left back. He tackled well and provided some good ball out of defence.

Adam was busy in the middle of the park and did not stop running. His ball distribution was great.

We had a couple of scares towards the end of the 2nd half but the ever reliable Noah in our goal was there to save the day.

One particular save was a great one on one effort. Noah came off his line quickly to dive at the feet of the AA attacker as he shot. Luckily the ball bounced to safety.

Harrison V had a last good long run at AA goal.

The 2nd half was a torrid affair and ended goalless. A 2-2 draw was a great result for the team and maintains our unbeaten run for the season.

Gab seems to thrive playing AA. Today was no exception. He ran himself into the ground and did not give the AA players an inch.

Daniel B, feeling a little under the weather, had limited game time today.

Ray had his usual busy game. He tackled well and provided many quality passes to the team.

Zack made some good runs and combined well with Harrison V.

Ross was proving a handful for the AA right fullback. His turns and flicks were great.

Oh yeah it wouldn't be Lugarno FC U14c game if Nathan did not head the ball. Well you guessed it he did but no face plant this week.
