Match Reports:

6B 1 v Scots

The boys played a lacklustre game on Saturday, especially in the 1st half, and suffered their 2nd loss of the year!

Scots only started with 3 players (a pair of twins – boy and girl) and one other. As we had 7 players we offered them a 4th player, but they said no we are fine. Within a minute we knew we were in for a hard match, the twins passed to each other like they knew exactly where they were and the 3rd player was a great supporter player.

No 10, (twin boy) seemed to be everywhere and put a cracker away early, we then fought hard for an equaliser and every time we looked like scoring one of their kids would pop up and stop our charge, many times it was their No 10. Soon he

had another 2 goals which were all class and we were down 3-0 at the half and looked like we really underestimated the 3 of them.

Christopher then got one back for us to start the 2nd half, then he hit the post and also missed an open goal, likewise Elijah just missed a few wide. We were finally on top and we had a good feeling we would get the 2 goals back as they were getting

tired, but then out of no-where they got a second wind and the twins got a goal each!

Our boys look flat coming towards the end of the season maybe as many of them have filled in for other LFC 6 & 7's teams throughout the year, especially the last few weeks. We had 3 play doubles this week.

Now we look forward to the traditional annual kids vs parents game to finish off training and also our last football Saturday for the year which we hope to finish with a win!

12C (1) v Bexley North Won 3 – 2

And at the end of the regular season, 12Cs are Minor Premiers!! Congratulations 12C!

12C (2) v Penshurst West Lost 1 – 5

Goal Scorer: Edward Alford

14C v Arncliffe Aurora Won 4 – 0

Goal Scorers: Daniel W / Ray / Ross

On a windy morning we travelled to Arncliffe Park to play our last regular season game. The team were very keen to finish the regular season undefeated.

We needed a good game today to give us the momentum leading into the semi finals. Matches against Arncliffe Aurora at their home ground are always tough games.

Ray's dad (visiting from Japan) was at the game.

Captain for today, Adam, won the toss and elected to run with the wind.

The team started on a positive note and were in control from the first whistle. We were not giving AA an inch and were closing them down quickly.

We were putting together some nice passing exchanges. It was pleasing to the team putting into practice some of the moves we learnt at training.

We were looking to execute some long balls from the back for our fast forwards to run onto. With the wind behind us some passes were rolling to the AA keeper.

Tim then provided Ray with a well weighted through ball. With the AA keeper advancing Ray was able to chip the ball over the AA keeper into the AA goal. 1-0 our way. That goal was worth the airfare for Ray's dad to see.

Noah was then called into action with a great save.

Noah then punt kicked the ball over the halfway line to a fast running Daniel W. Daniel W too was able to chip an advancing AA keeper into the AA goal. 2-0 our way.

Our defence were holding out the AA attackers well and we were controlling play in the midfield.

Daniel W showed some good skill on our left/front side. He provided a good pass to Adam, whose shot was well saved by the AA keeper.

The first half ended 2-0 our way. Whilst that was a good lead we knew AA would come at us in the second half with the wind behind them.

We continued our dominance in the second half and made it difficult for AA to settle on the ball. Zack made a number of good runs at the AA defence on our left/front side.

Half way into the second half Zack provided a pass to Ross who made a run into the AA penalty box. Ross (goal bound) was pushed from behind. Penalty to us! Before my nominated penalty taker (Alex) could reach the penalty spot, Daniel W already had the ball on the penalty spot and was in position.

Daniel W's penalty strike was unstoppable. 3-0 our way.

After the goal we relaxed for a moment. Luckily for us Tim was quick to diffuse the AA attacker and send the ball to safety.

We then saw a neat passing exchange between Adam and Ross. Ross then provided a pass to Zack whose shot went just wide of the AA goal.

Noah then came out (using his feet) to stop an AA attacker.

Zack continued to torment the AA left hand side with attacking runs.

We then saw some great play after winning a corner on the right hand side. Gab and Adam took a short corner. Adam played a one/two with Zack. Adam then passed to Ross in front of goal. Ross calmly shot the ball into the AA goal. 4-0 our way.

The comfortable lead allowed me to make some changes and rest Tim, Shane and Daniel W who were run off their feet.

Daniel C and Alex continued their great work in our defence.

Ross then put Gab through on a run at the AA goal. Gab's shot was deflected out for a corner.

Daniel C provided a good long pass to Ross, whose neat flick found Zack. Zack's shot went just wide.

Adam, under pressure from the AA defence, was able to produce a nice turn on the ball.

The match ended 4-0 our way. That was a great all round team performance and will give us great momentum leading into the semi finals. We finished our regular season undefeated. Well done team!

Harrison C and Daniel B had great games. They tackled well and provided some good passes.

Sean made some great interceptions/clearances and passed the ball to our team well.

AAF (2) v Peakhurst Utd (1) Won 3 – 1

Goal Scorers: Nick Kottaras / Eddy Poh / Matthew Denson

AND THE OLD BOYS HAVE DONE IT AND QUALIFIED FOR OUR 5th STRAIGHT GRAND FINAL.

After finishing 1st we played our bogey team Peakhurst United (1) who had beaten us twice this year and finished 2nd. With only 11 players available (7 out due to injury and overseas trips), which has been the case for the back end of the season, we were lucky enough to have both Matty & Christian from our U17B qualify to play finals football with us. Playing on the new Peakhurst synthetic fields, complete with dugouts, was something to look forward to and it was great to see the injured players

on sidelines along with a few ex-players (current Raiders), friends, family and also a few committee members there in support.

We started very slow and the crazy wind against us played a factor, Peakhurst had a cracker of a shot early and no keeper in the world could have stopped it as it went in the top corner. The rest of the half the back 4, along with the keeper, stood tall to the weather the Peakhurst storm, with a number of tricky shots and crazy swinging corners. At halftime Kotta delivered the speech we needed pre-game and fired up the rest of the team.

2nd half the defense was even more solid as Big Al and Big Cox were excellent in the middle and PTN (Pete the Neighbour) & Young Christian played out of their skins as wing backs, running all game, which kept keeper Yare quiet. The midfields lifted, led by Harry and Mark "Fooker Hell" which got Shortarse pumping his little legs, Zorba the machine ran his heart out like always,

Mr Fix it "Vlado" filled the holes left from all those players out and upfront Eddy & Matt seemed to get quicker, even injured Rob was fired up and gave the ref some "nice" advice on how to ref. Kotta delivered on his speech as he got the equaliser as the game finished 1-1 at full time, but we had all the running while they were running on empty.

Although all we needed was a draw to qualify for the GF (as we finished higher on the ladder), we went for the win. Against the wind, we got a corner and our RTO JP called Shortarse off, to his delight, and put Eddy back on as we moved all the tall players forward for the killer blow. The ball travelled past them to the far post in which Eddy "Closed his Eyes" and delivery the perfect header and we were 2-1 up.

2nd half of extra-time and Peakhurst, needing 2 goals, pushed players up, but on the counter Matt delivered the killer blow and we did it, great come from behind win, pure guts by the team and the Peakhurst Monkey is also off our back leading into the GF. BRING IT ON!!!
