Match Reports:

6B 3 v Peakhurst United

POTM: Jarvis

We had a full team this weekend, and although the weather was cold all the kids were ready to go. Given the size of the opposition, I think that earlier in the season this would have been a very lopsided game... but the improvement in the team made sure this was a nail-biter.

We welcomed back Zach L this week, and he was his usual dangerous self. He made several runs down the sideline and was very active throughout the game. Kyla and Zachary B also started the game. Their speedy combinations and goal-saving efforts made sure that early on this was a really close game. On the stroke of halftime, Grace made a fantastic run and had a strong shot from a fair way out that narrowly missed to the right.

Hunter and Samuel joined the game to provide some energy and enthusiasm, however the highlight of the game came towards the end of the first half. I said last week that Jarvis had been improving each week, and his efforts were rewarded with his first goal of the season... an awesome left footed strike that smashed into the back of the net. The smile on his face and his celebration was priceless!

We came home the stronger team and were all over them in the final minutes, but unfortunately we just couldn't quite find an equaliser. Overall there was some nice passing, strong defence and great all-round team effort, well done.

7B3 v Arncliffe Aurora

Goal Scorers: Michael Nicholson 2 / Miles Laney

POTM: Olivar Ametson

It was an early start with team photos this morning, but the kids were still super keen to get out there and score some goals! We had the advantage in the first half as the field sloped downwards! Lots of close goals this week, and Mikey and Miles scored goals.

Our second half wasn't as easy, with us having to kick up hill to the goals.

Player of the match suffered a ball to the mouth, but was still an absolute trooper and got back out there. Emma, Catherine and Pip were keen to play and love to be on the field all the time.

Charlie had some great dribbles with the ball this week.

Well done team, another great effort.

7B 6 v 7B 7

Goal Scorers: Felipe Mancuso

POTM: Brooklyn Su

Brrr... it was cold today.

We finally got back into our game after three long weeks away with the long weekend and two lots of wet weather.

You could tell we were out of practise but the kids still did their best to have fun and run the ball.

Brooklyn did a great job today with some big kicks, chipping and chasing and coming really close to scoring.

We're looking forward to training on Thursday so we can get back into the swing of things.

8I v Connells Point

POTM: Tom & Joshua

Following the photo session Saturday morning, we travelled to Poulton Park to meet Connells Point at their home ground.

It was another tough match however, as the cliché goes, it was a game of two halves. In the first half most of the action was in our half defending. However in the second we seemed to open up the play with a lot more passing, and we were stronger in defense. Tom had a great game all over the park and Joshua made some

fantastic saves which contributed to a great second half team effort. I also like to make a correction from last week as I forgot to make mention of a fantastic goal by Brodie, well done.

Hopefully the temperature will be respectable for training on Tuesday, see you then.

11B 2 v Bexley North

Finally we had enough dry weather to allow the grounds to be open and for the U11B2s to get a run as it has been close to 3 weeks since our last game! Not only did we have a game but also team photos as we assembled at 7am down at Gannons Midi.

The cold did not seem to worry the kids as we waited our turn and, while we were waiting, we needed to stand in line and as they have not played for weeks they were like caged tigers - I had to keep them in line and clean – Wow!!!!

Photos and warm up done it was time to get down to business. We took the standard line up, 3 4 1 which has been a solid plate form all year. Our early minutes were strong as we pushed the ball

around well and controlled the possession. Our opponents, while positioned well, allowed our boys time on the ball which gave them the chance they needed to play and pass and move up the field. Early opportunities came from our outside boys pushing the ball through the middle and a cracking run from Daniel found Cody on the rebound, who finished well and opened our account 1 nil.

Once again our back line was strong as Luke, Liam and Nathan worked well and protected Sean and our goal, also providing a solid feed to the outside backs to which again our next goal came from. Cody down the line with a great crack on goal, which again Daniel found himself on the back of another great rebound to finish our second 2 - nil.

The restart was not so sharp for us as our opponents sliced through the team within 30 seconds of the whistle to find their first 2 -1. This led us into a very soft couple of minutes as we allowed our opponents back into the game with their second and took the score to 2 - 2.

The coach, who nearly lost his voice, discussed options from the sideline as we tried to restart and get back on top. Just like that we started to hold and play again with several raids on our target to which gave us our third as Jonathan took charge in the front third and hammered it home to finish the half at 3 - 2.

The second half started like the first and we worked well moving the ball around the team and pushed up well, we had several opportunities that included a great run from Daniel that ended up with a one on one with the keeper but as Daniel was going to finish he slipped and the keeper won that round.

Then against the run of play we were pushed back and our opponents took the chance and moved the score to 3 - 3. Without delay we countered with Cody taking 2 more and Daniel took his second which closed the game at 6 - 3.

We played really well today, attacking raids, depending raids, corners and solid keeping from Sean. We just hope we can get consecutive games and keep building on the teamwork.

Well done boys.

16A Girls (2) v Bexley North Won 1 - 0

Goal Scorer: Olivia

After being put up 2 age groups when the regrading came about, our girls have had a hard time of it, not skills wise just being out muscled by bigger opponents.

Each week we are in there till the end but lack of experience is preventing results.

Today we started off really fast with a great passing exchange by Emily and Olivia to have Olivia finish the move and put us 1-0 up after 3 mins.

And 1-0 it stayed.

We had chance after chance, and held on for a win.

The back 4 of Sienna, Alyssa, Jasmine and Taylah gave their all and defended right to the end.

Overall it was great to get a win and kick board us to get into the semis.

Well done girls.
